

Project Design Phase-I

Solution Architecture

Date	03 Nov 2023
Team ID	NM2023TMID4218
Project Name	Building a Website Using Canva

Solution Architecture:

Addressing the floral boutique's limited online presence, our solution architecture revolves around creating a user-friendly Canva-based website. It encompasses key components, development phases, and requirements while ensuring responsiveness and scalability. Efficient management and security measures are integral to the architecture, securing a successful digital platform.
